The Undergraduate Majors

The Wake Forest University School of Business offers a four-year Bachelor of Science degree, with majors in the following:

- **Accountancy (ACC)** 52.5 - 58.5 hours (*internship is six hours and is strongly recommended but not required*)
- **Business and Enterprise Management (BEM)** 54 hours (*including a three-hour required internship*)
- **Finance (FIN)** 54.5 hours
- **Finance/Accountancy (FIN-M)** 64.5 - 70.5 hours (*internship is six hours and is strongly recommended but not required*)
- **Mathematical Business (MBU)** offered jointly with the Department of Mathematics 47.5 - 51.5 hours (*MBU majors may take MTH 113 AND MTH 121 OR MTH 205 but not both*)

*Please note: The undergraduate degree in accountancy is available ONLY if a student is accepted into the MSA program in his or her junior year of study. The five-year accountancy program includes both the baccalaureate and master’s programs, and requires admittance during the student’s junior year. Students admitted to the five-year accountancy program may major in either accountancy or finance (FIN-M) at the baccalaureate level.*

Undergraduate Business Application Process

*(Please note: Admission requirements have changed for first-year students entering Wake Forest University fall 2016 as reflected below.)*

Admission to the Wake Forest University School of Business undergraduate program is by formal application, and applicants are screened by the School’s Committee on Admissions, Continuation, and Scholarships. Students apply for admission to the School of Business during the spring semester of the sophomore year and are admitted effective the fall semester of their junior year. Before being considered for admission to the School of Business, the applicant first must have been admitted to Wake Forest University. The School’s majors are quite comprehensive; therefore, students are advised to complete as many of the basic and divisional requirements as possible in the freshman and sophomore years.

The minimum requirements for consideration of admission to the School of Business are:

- Completion of **49 hours** (by the end of sophomore year)
- A cumulative WFU grade point average of **2.85**
- Completion of the following prerequisite courses with a C or better:
  - BUS 105 (recommended in the freshmen year)
  - ECN 150 (recommended completion by fall of sophomore year; AP credit may fulfill the requirement of this class)
  - MTH 111 or MTH 112 (MTH 112 for the Mathematical Business major) (recommended completion by fall of sophomore year; AP credit may fulfill the requirement of this class)
  - ACC 111 (recommended in the fall of sophomore year; must be completed at Wake Forest University
    Please note that students must have an overall GPA of 2.85 to take this course.
  - BEM 201 (MTH 256 for MBU majors) (recommended in the sophomore year)

Based on availability, students will be enrolled in an additional School of Business course in the spring semester of the sophomore year (ACC 221, BEM 211, BEM 221, BEM 251, BEM 261, or FIN 231).

*Information continued on back of handout*
Students who have not met fully the above requirements may still apply while requirements are in progress. The number of students who can be accepted is limited. Meeting the minimum requirements is not a guarantee of admission.

PLEASE SHARE WITH YOUR ADVISEES

For additional information on the Undergraduate School of Business majors, please visit our website http://business.wfu.edu/undergraduate-programs/, or visit Student Academic Services in 115 Farrell Hall (Student Engagement Suite) or contact:

Lynn Zimmerman, Associate Director, UG Student Academic Services zimmerln@wfu.edu (336) 758-1983 for first-year student questions. Lynn works with students entering Wake Forest University in even years: 2016, 2018, etc...

Sharon Payne, Associate Director, UG Student Academic Services paynese@wfu.edu (336) 758-4304 for sophomore and transfer questions. Sharon works with students entering Wake Forest University in odd years: 2017, 2019, etc...

Betsy Hoppe, Executive Director, UG Program hoppe@wfu.edu (336) 758-4459. Dr. Hoppe works with the UG Senior Associate Dean and oversees the admission process.

The School of Business will hold an Information Session for first-year students interested in applying in spring 2018 to the School of Business on Tuesday, August 30th from 6-7pm in Farrell Hall A31, Broyhill Auditorium located on the lower level. Please encourage interested first-year advisees to attend.

Other informational meetings are planned for first-year students later in the year.
