

## For Pre-Business Students

### **ACC 111**

Beginning this summer (2017), students must meet a prerequisite requirement of a 2.85 Wake Forest cumulative GPA to be eligible to take ACC 111. For fall 2017 online registration, if a student feels he/she may not have this GPA by the end of the spring semester, we suggest that the student not register for the class during online registration. If a student does not register for ACC 111 but ends up with the 2.85 GPA at the end of the term, we will enroll them in a section of ACC 111 once we have confirmation of the spring 2017 GPA.

Students who feel they may not meet the prerequisite GPA should email, Lynn Zimmerman ([zimmerlt@wfu.edu](mailto:zimmerlt@wfu.edu)). She will keep a list of these students and, at the end of spring semester, will enroll those students who meet the prerequisite requirement. If, however, a student elects to register for ACC 111 during online registration and does not meet the minimum GPA after spring semester, he/she will be dropped from the class.
